

## Bayley House has a **Privacy Statement**

The Privacy Statement tells you and your family or carers how we look after information about you

We will keep your information private

The information we keep is about you, your health, family and your needs and goals

We only use your information to help give you good support

You can tell us if you don't want us to give out information about you

If you have any questions or want us to go through the privacy statement, you can ask a staff member
