

Stay Connected with Bayley House Get Started with the Gopha App

We're rolling out Gopha – a simple new app that helps you stay connected with everything happening at Bayley House.

From updates and messages to resources and events, Gopha puts all the info you need in one easy place.

Who can use it?

The app is designed for families and carers of the people we support at Bayley House – and the people we support can use it too if they'd like to stay up to date. It's free, easy to use, and a great way to stay connected.

How to Get Started
